Amari: The colours and rhythms of modern Asian hospitality

Awaken to the sun's first rays breaking over a centuries-old mountain city at dawn. Feel the sand under your feet as the Andaman tide gently rolls in. Bask in the warmth of a smile waiting behind an open door, or the taste of a local dish prepared to perfection. Watch as a tropical island landscape unfolds in full colour. Listen to the pulse of an urban heartbeat that energises the night.

Life on island time

Listen to a symphony of rustling palm trees and the rolling surf on a quiet stretch of sand at Amari Emerald Cove in Koh Chang. One of Thailand's best-kept island secrets, Koh Chang combines the hilly rainforests of northern Thailand with the marine beauty of the South – and all just a short flight or drive away from Bangkok.

Follow your own holiday rhythm on this unique island. Spend the day exploring the mountainous interior by elephant, and then soak in a sunset with a candle-lit dinner for two on the beach. At the end of the evening, retreat to spacious rooms with vistas of the rainforest or the sea, the setting for the next day's adventures.

Bringing the outside in

Feel connected to the rich and exotic landscape of Koh Chang in each room of the resort. Find plenty of room to unwind in our Rooms, which feature natural wood floors and everything you need to feel at home on the island.

Or relax in the comfort of a Deluxe Room, with views over the lush tropical gardens, pool and beyond to the sea. For a truly spectacular experience, marvel at every island sunset from the private terrace of one of our indulgent Suites, complete with a separate living room and other exclusive amenities – the perfect accommodation for a romantic honeymoon or family beach holiday.

Complementing the resort's island paradise backdrop are the modern Thai interiors with beautifully crafted wooden furniture and a soothing palette of natural tones. All 165 rooms and suites offer spacious bathrooms with bathtubs and corner showers, as well as all the comforts of home.

A rainbow of flavours and spices

Sip a cocktail with a hue that matches the sunset. Taste an explosion of flavours in a feast of Thai cuisine, or relish old Italian favourites. With a variety of offerings, every appetite will find something to satisfy. Sample from an eclectic mix of Thai seafood at Just Thai restaurant, or choose among modern Italian specialities at Sassi. For breakfast or all-day dining, The Cove Terrace offers the perfect spot for an al fresco meal with a sea view. Treat yourself to a mid-afternoon cocktail from the Poolside Bar without even leaving your lounge. Later, when evening has fallen, find your own island beat in the live music played six days a week at Breezes Bar.

Walk on the wild side

Koh Chang's lush natural diversity means that adventure can be found around every corner – from splashing in stunning waterfalls, taking in awe-inspiring views or encountering tropical wildlife only ever seen in photos. Amble through the rainforest on the back of an elephant – a must for every visitor. Meanwhile, a mosaic of colours and motion awaits discovery underwater in the nearby national marine park. Our PADI Dive Centre can assist anyone from beginners with their first lessons in the pool to the seasoned diver with expeditions directly from the resort's beach. For a more relaxed experience, try a yoga or Thai cooking class. Whether on land or at sea, find activities to thrill every adventure seeker – or to fill the time between naps on the beach.

Move the melody of the tropics

Fall under the spell of the island's enchantingly laid-back rhythm. Swing gently in a hammock by the shore without a care in the world, or swim a few laps in the stunning 50-metre beachfront infinity pool. The kids can also have fun in the sun in a pool especially for them, while adults can relax under the soothing jets of the large outdoor Jacuzzi. And, for the perfect pick-me-up to any day, pop into Breeze Spa. True to its name, a fresh sea breeze cools the private salas as you relax, rejuvenate or recharge with a mood-lifting treatment that will leave you floating on a natural high you'll only find at Breeze Spa.
